

## DEPARTMENT OF BIOLOGICAL SCIENCES GRADUATE STUDENT PROGRESS REPORT

Name of Student: Alex Popesc Date: 22/11/2023

Program: ☒ M.Sc. ☐ Ph.D. Date of enrolment: 01/09/2021

Thesis title: Sentinel Behavior & Urbanized American Crows

Timeline: (e.g. Predoctoral exam, Internal review): \_\_\_\_\_

Next committee meeting timeframe: \_\_\_\_\_

Teaching Assistantship requirements: ☒ Fulfilled ☐ Not fulfilled ☐ Exemption

Courses completed to date and grades

BIOL 5P95	89 A
BIOL 5P85	90 A+
BIOL 5P34	91 A+

Courses to be completed (indicate term):

Research Progress (have experiments or some observations have been planned and conducted)

☒ Excellent  
☐ Satisfactory  
☐ Unsatisfactory (Append Comments)

Presentation (Introduction, clear objectives, cohesive results, new working hypotheses, capacity to answer questions, etc.)

☐ Excellent  
☒ Satisfactory  
☐ Unsatisfactory (Append Comments)

Performance Trend

☐ Improving ☐ N/A – 1<sup>st</sup> meeting  
☒ Satisfactory  
☐ Declining (Append Comments)

Student has produced enough work to complete a thesis:

☐ No  
☒ X Yes (A detailed summary of what is expected is required on appended page)

*Please fill in the following at the final committee meeting if the student is preparing to submit thesis:*

Dates committee unavailable for thesis defense: February

Tentative thesis defense date: beginning of April

Committee Chair Liette Vasseur 

Supervisor 

Member (1) Anne B. Clark 

Member (2) \_\_\_\_\_  
Please print your name & sign

Student Alex Popescu

☒ I agree ☐ I disagree  
Please print your name & sign

Comments appended: ☐ Yes ☐ No

*Please submit this form to the Graduate Program Director, Biological Sciences*

Comments: great progress, careful in being too personal and adding excuses in presentation,; slower pace when speaking. careful about assumptions; for the scoping review, add limitation in discussion. Better sending chapter as soon as completed. Send to Ann the results.
